The season of Spring is a time when many things grow and mature. Our Freshman year reflected upon this time. During our first year at Brockton High we grew from young adolescents to responsible individuals. We faced a new environment and experienced the many challenges of our high school days. Although the tremendous size of Brockton High made us feel like bumbling children we soon adapted to our new environment. With the help of our friends and faculty we were able to share in the sense of pride and happiness which is spread throughout B.H.S.

From our awkward stages as Freshmen we soon turned into the more self-assured Sophomore class. Just as Summer is a time for fun and frolic we, too, joined in this amusement. We were easily caught up in the whirl wind of excitement experienced during our Sophomore year. As Sophomores we were enjoying the happy medium of no longer being a Freshman yet not quite having the responsibilities of an upperclassman. Many of us branched out into new directions as we became more involved in clubs and activities. Our class began to sponsor events such as the Friday night dances and flower sales. We had a lot of fun and it was a great way of showing off our newly found identities.

As time passed the lazy, joyous days of Summer ended and the harsh reality of Autumn settled in its place. As upperclassmen our leaves quickly began to change colors. We gained more academic responsibility and it wasn't long when we were haunted by the thoughts of taking the SAT's and Achievements. We began to take our studies and our lives more seriously. Many of us got part time jobs and we soon realized the effort needed to grow up. Later in the year we were given the chance to attend our Junior Prom. The night was filled with glamour and excitement and marked the ending of a great school year for our class.

As the final season fell upon us so did our Senior year. This was our last and perhaps most remembered year of High School. Our roots were now fully planted into the ground and we were ready to take on the many challenges our Senior year brought us. Being the eldest of the four classes, we were given the responsibility of setting appropriate examples for the underclassmen.

Our days as high school [illegible] have passed making way for our budding futures. As we, the graduating class of 1985, leave to find our places in the world, many of us can look back with fond memories to the close friendships and personal triumphs we experienced. The road we are to travel is not smooth; it is long and perilous. But just as the seasons develop and mature, we can also develop our lives so that they will emerge from the commonplace to the extraordinary. Despite all obstacles, we shall travel this path with pride and dignity. As Charles Dickens once wrote, "It was the Spring of hope; it was the Winter of despair".

BROCKTON

ADMINISTRATION AND FACULTY

SUPERINTENDENT

Mr. Manthala George, Jr., the Superintendent of Schools, has spent many years in the system working to maintain excellence in education for the students of Brockton. During the past year, Mr. George's first full year as Superintendent, he has attempted to restore programs and services essential to the development of a sound educational environment for the students of Brockton. Despite the restraints of Proposition 2½, he was successful in obtaining sufficient financial resources to operate the Brockton Public Schools.

Mr. George feels we have an outstanding school system which provides students with excellent educational opportunities. However, considering the size of Brockton High School, he feels that if a student does not become involved academically or socially, that student will not benefit from the excellent programs and services available at the school.

Mr. George extends his congratulations to the Class of 1985 on its achievement in many areas — scholarships, athletics, music and drama, despite the financial restraints imposed these past four years. He feels the graduates have had outstanding school spirit and are to be commended for their dedication to excellence.

And to the graduates, Mr. George says, "Whatever path you chose to follow, establish high goals and do your utmost to achieve them. Congratulations on a job well done."

Kathleen M. Collyer

PRINCIPAL

Being one of the largest schools in the country gives us an opportunity to enhance the quality of our school in many ways. One of the chief reasons for our exceptional status is our principal. As the principal of Brockton High, Mr. Reagan is responsible for all of the functions related to the operation of our school. He is in charge of the curriculum as well as the supervision of the housemasters and faculty.

After eleven years of supervising Brockton High, Mr. Reagan has seen many students successfully graduate. One of the key factors involved in this is his dedication and hard work. Mr. Reagan's main concern with his student body is to help them realize the importance of a good education. He urges his students to "start setting their goals early in their High School years". He feels this will aid in the development of skills one needs when finding a job.

When referring to the students of B.H.S. Mr. Reagan comments, "It is important to understand they're in a competitive world." With this in mind Mr. Reagan has no doubt everyone who graduates from Brockton High will succeed.

Along with his concern for his student body it is also evident that Mr. Reagan is very proud of this year's graduating class. He feels the Class of 1985 will go a long way.

In conclusion, Mr. Reagan offers this piece of advice to the Class of 1985: "Now is the time to make your mark".

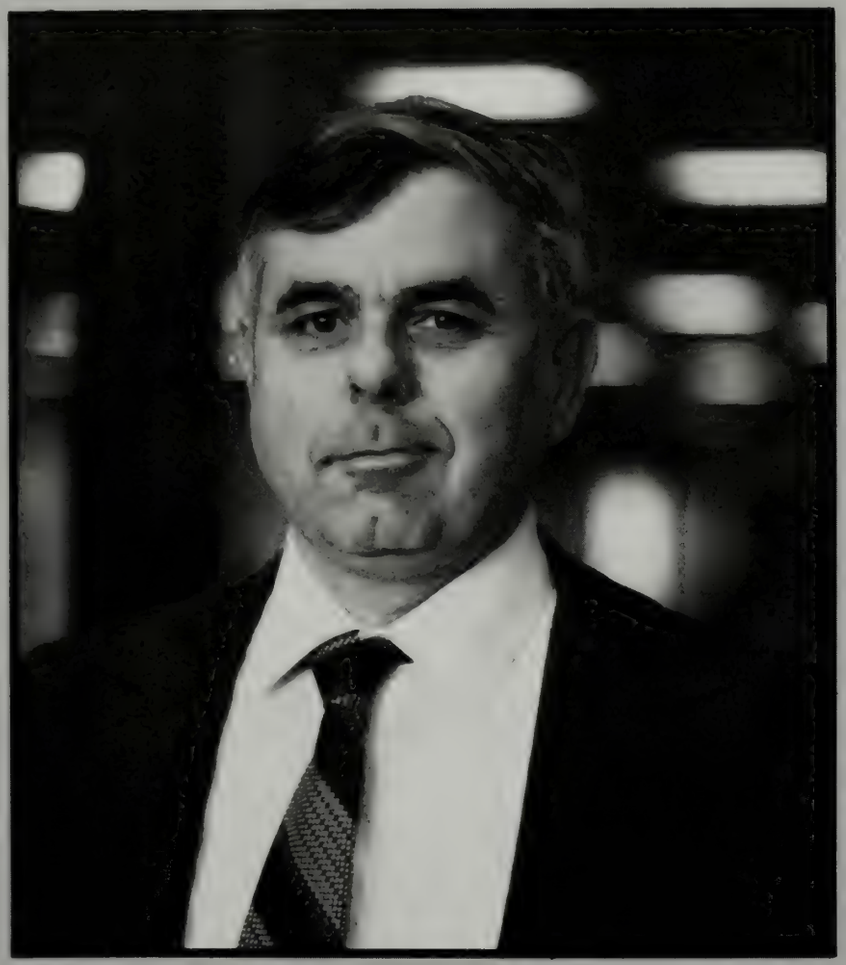
HOUSEMASTERS

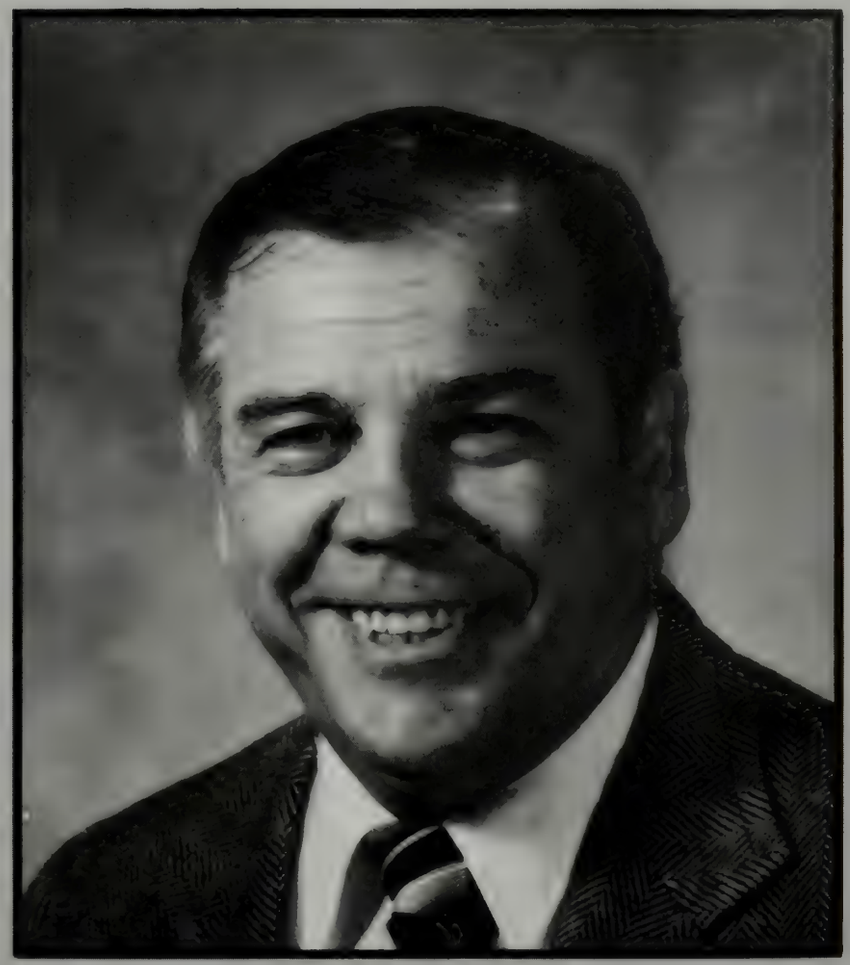


Dr. Thomas Cibotti

As Housemaster of the Green House, Dr. Thomas Cibotti's responsibilities have a major impact on the success of the students' education. He is responsible for the management of the Green House as well as being concerned with the "total educational endeavor of twenty-five percent of the school". His concerns lie with being sure that the 1,200 students under his care receive the education they deserve as well as the supervision of the faculty.

Dr. Cibotti feels that we have an "excellent class this year" noting that the classes seem to improve scholastically from year to year. He notes that the SAT scores are up and that the students' attitudes are better. "The student body as a whole", he says, "is more mature and has clearer goals about their future". He also stated that this year's class "seems to have it all together."

Eric Ashman



Mr. Mario DiMarzo

Mr. Mario DiMarzo has been the Housemaster for the Red Building since 1971. In that time he has seen many Seniors successfully graduate and go on to become responsible individuals. As Housemaster, he is responsible for the administration of the Red House as it relates to the teachers and students of the building.

Mr. DiMarzo feels that the class of 1985 is a good group with many significant talents. He describes the Class of 1985 as "an aggressive group with a lot of potential" and foresees many students as being "successful after graduation". He feels that the Class of 1985 is "one of the best!"

Mr. DiMarzo wishes the graduating class the best of success and happiness and would like us all to "work hard, be happy, and accept life as it comes-it's been a pleasure working with this Senior class!"

Diane Caledonia

As Housemaster of the Azure Building, Mr. Chris Argys has seen many changes throughout Brockton High. He began his career at the old High School located on Warren Ave. and has continued with the Brockton school system throughout the development of the present day school.

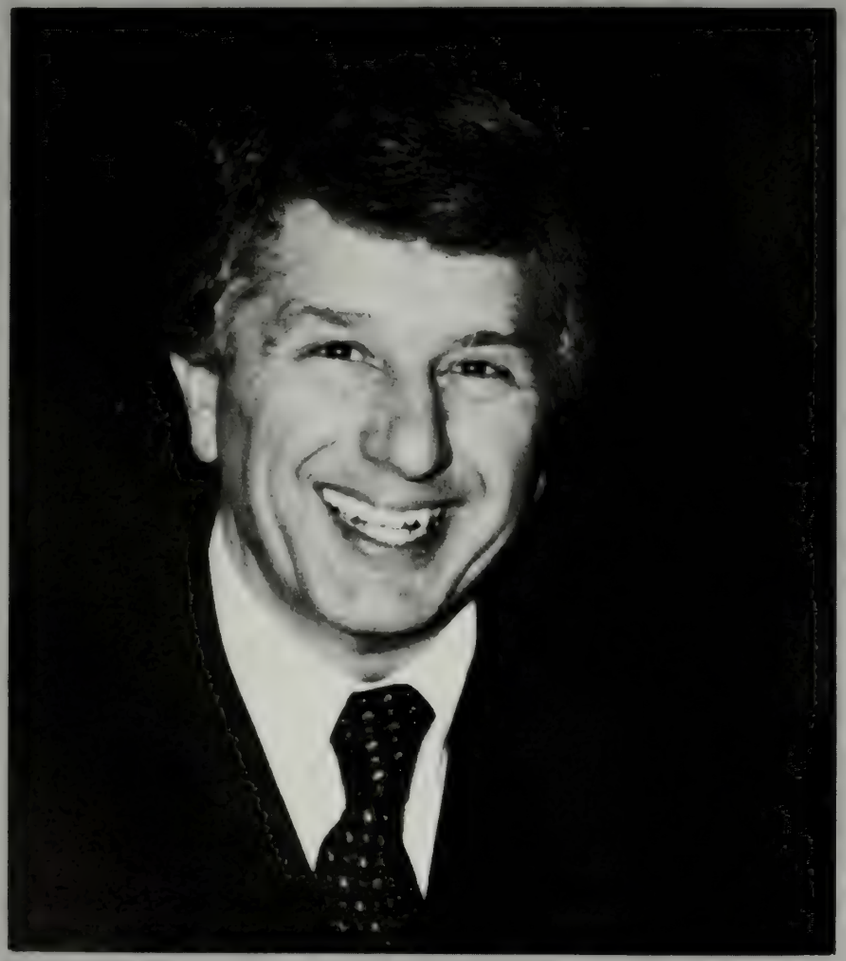
Mr. Argys has the very important task of running the entire Azure Building. This includes the overseeing of all records, teachers, and schedules associated with the Azure House.

Mr. Argys refers to the Class of 1985 as "a good class-real good. One of the best." He sincerely hopes that the faculty and administration of Brockton High have been adequate in fulfilling the students' needs, and hopes that they can use all they have learned for the rest of their lives.

Mr. Argys has some very wise advice for every student of the Class of 1985 and that is to "go for the whole loaf-not just half".

Diane Caledonia

Mr. Chris Argys



As Housemaster of the Yellow House, Dr. Claire Appling is responsible for the organization and administration of the faculty and students situated in the Yellow Building.

Dr. Appling recognizes the Class of 1985 as a very cooperative and responsible group of students. She encourages school spirit among all of the students of Brockton High and wishes to see many students becoming involved in clubs like Pride is Alive where they can be a part of Brockton High's pride.

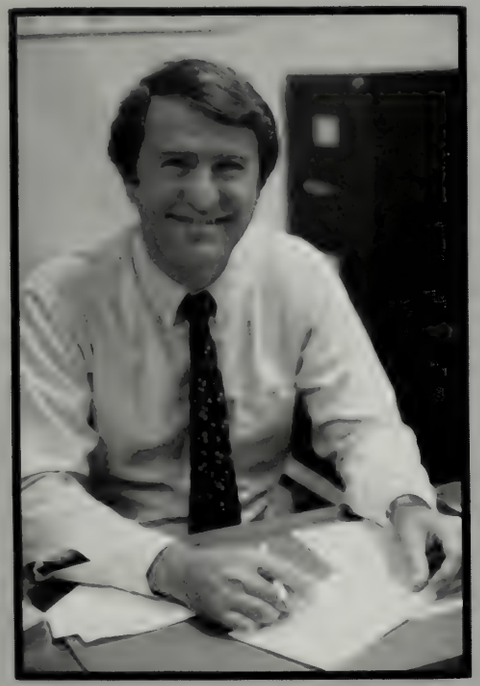
Education is a "life long experience" and Dr. Appling advises that students should be able to "change and be ready to adapt" to future career moves.

Dr. Appling is a firm believer in the Yellow House motto "Ever to Excel" and in closing, she offers this piece of advice to the Class of 1985 --- "Always reach for the highest of standards in accordance with your abilities".

Josephine Calisto

Dr. Claire Appling

ASSISTANT HOUSEMASTERS



Mr. Richard Zoino

Being the Assistant Housemaster of the Green Building, Mr. Zoino's main responsibility includes the overall administration of the Green House. More specifically, he handles problems involving attendance and discipline. With this, he encourages student morale, reviews their curriculum and supervises activities throughout the Green House.

Mr. Zoino is always willing to listen to students' problems whether they are personal or academic. The Green House is proud to have such a concerned Assistant Housemaster as Mr. Zoino.

Josephine Calisto

Mr. Kenneth Cardone is the Assistant Housemaster of the Red Building. He has held this position for eight years and says that he likes his job very much. He also remarks, with a good-humored grin, that there is "never a dull moment".

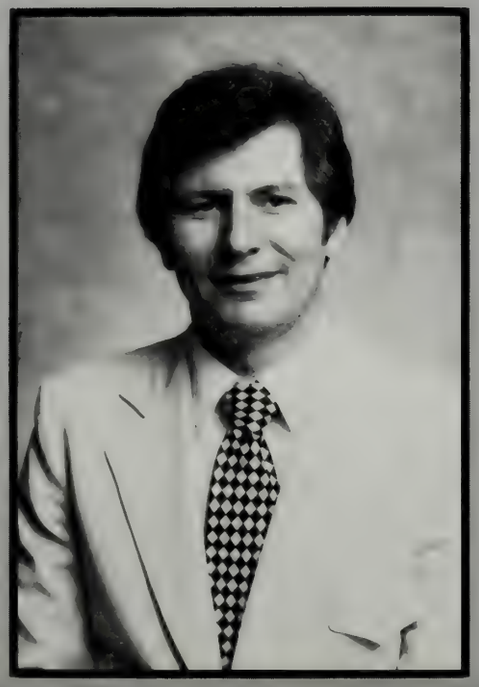
Mr. Cardone's responsibility as Assistant Housemaster is to maintain the discipline and attendance of the students in the Red House.

Mr. Cardone feels that the Class of 1985 is a good class and that many diverse achievements, including academic, artistic, and athletic, have come from the students of this great class.

To the Class of 1985, Mr. Cardone would simply like to say, "Be true to yourself".

Diane Caledonia

Mr. Kenneth Cardone



Mr. Charles Puliafico

Mr. Charles Puliafico has been the Assistant Housemaster for the Azure Building for fourteen years. He feels that his main responsibilities as Assistant Housemaster are to uphold proper attendance and discipline among Azure House students and also to get the students to react properly toward the adults and other students in the Azure Building.

Mr. Puliafico realizes that the graduating students are facing a very difficult situation but hopes that each student will do much with their education to help their future endeavors.

Mr. Puliafico's philosophy is that "anything that is worth doing is worth doing well".

Diane Caledonia

The job of an Assistant Housemaster is one which involves many hours of hard work and dedication. As the Assistant Housemaster for the Yellow House, Mr. Bussolari's main responsibility is maintaining discipline throughout the building. He must ensure that the discipline code is implemented and carried out. This involves assisting teachers and students with problems and dealing with parents.

Mr. Bussolari's intentions and responsibilities are for the good of the entire Yellow House. Without him to set and maintain firm guidelines and to guide students in the right direction, the Yellow House would not run as smoothly and effectively as it does.

Josephine Calisto

Mr. Raymond Bussolari

Mr. Harold Sharkey

Friendly, devoted, caring. These words can be used to describe Mr. Harry Sharkey, a Yellow House Math teacher who passed away in early 1984.

There always seemed to be a warm aura about Mr. Sharkey. His smiling face and quick wit could brighten any day. He had an admirable sense of being what his students called "an all-around nice guy".

Mr. Harry Sharkey --- teacher, co-worker, friend. He will be greatly missed and warmly remembered.

GUIDANCE DEPARTMENT

The Guidance Department is the heart of Brockton High School. From rearranging schedules to helping students choose the best college, these counselors have affected all of our lives and over the years we have heeded their advice.

As head of the Guidance Department, Mr. Gentile has the task of keeping up with all of the major departmental decisions as well as keeping the department organized.

The Guidance Department tries to find the answers necessary for the future. The students are kept up to date on SAT's and financial aid as well as the various colleges visiting Brockton High. With the help of our Guidance Department many students are able to more clearly define and set their goals and are able to leave Brockton High School with a more positive direction to their lives.

BUSINESS EDUCATION DEPARTMENT

Since Business is one of the most important parts of our everyday lives, the Brockton High School Business Education Department is one which is of great value to every student. Those who are involved with this department are provided with the most modern equipment available in the business community. Courses such as Typewriting I, Shorthand and Bookkeeping aid in the development of skills and concepts used in the world of business.

The teaching staff consists of many experienced and dedicated faculty members. Each is concerned with passing on their skill to students interested in business related fields.

The students from Brockton High have a great advantage over other schools and should become involved in Business offerings they can receive at B.H.S.

ENGLISH DEPARTMENT

The major goal of each course in English is the improvement of students skills in writing, reading, speaking and listening. The Brockton High School English Department offers its students a wide range of courses from which to chose. Although the Freshmen and Sophomore classes are required to take a full year English course, subjects such as Journalism, Expository Writing and Cinematography allow the students to study and prepare themselves for future careers in these fields. When asked how he felt about this, one student replied, " . . . that way one can study in areas one likes rather than one chosen by a teacher."

Brockton High is one of the few schools which allows its upperclassmen to select English courses. The students themselves think it is a good idea-one which is flexible yet practical. Many hope in future years this system of learning will spread to other high schools around the country.

READING DEPARTMENT

The objective of the Reading Department at Brockton High School is to give the students a chance to improve and practice reading skills which enable them to function in today's society. The teachers in this department help find the students' needs in reading and plan personal programs based on their interests in areas such as sports and hobbies.

Many students of Brockton High are also involved in the teaching of reading skills. They can sign up for courses in Peer Tutoring which enable them to help others in weak reading areas. As the year progresses, the tutors not only help the students but also improve their own Reading and Language skills as well.

Reading is indeed an important part of life and the Brockton High School Reading Department enables the students, in many ways, to prepare for the future.

FINE ARTS DEPARTMENT

The Fine Arts building at Brockton High School provides activities for students with extraordinary talents and an abundance of creative energy.

The students display these talents by participating in the many activities offered to them such as the annual spring musicals and the winter plays. These activities are beneficial to the students' viewpoint of the arts by expressing their individual talents.

Many teachers in the Fine Arts have put in a lot of time and effort to help these students and to enhance their talents. Students should take advantage of the many Fine Arts programs available by the Fine Arts Department.

FOREIGN LANGUAGE DEPARTMENT

The Foreign Language Department, under the keen eye of Mr. Alexander Pecevich, provides students with the opportunity to learn a second or maybe even a third language. Brockton High School offers nine choices of Foreign Languages. They include French, German, Greek, Hebrew, Italian, Latin, Lithuanian, Russian and Spanish. The instructors of these courses are oftentimes proficient in more than one language.

Along with learning the language, the students learn about the countries in which they are spoken. They learn about the cities and their sights as well as the customs and traditions of "fellow countrymen". In upper levels of language classes the students study literature in the language they are learning. This is a way of exposing the student to another aspect of the country's culture.

Learning a foreign language may be fun, but Mr. Pecevich reminds everyone that the main purpose of the Foreign Language Department is to provide students with the necessary foreign languages required for most colleges.

BILINGUAL DEPARTMENT

The Bilingual Program, under the supervision of Ms. Janet Coulter provides non-English speaking students with background in reading, writing and speaking English. Courses are offered in such areas as Health, Social Studies, Math and Science. The classes themselves are taught by qualified faculty members who know the students' native language. The classes are, in turn, translated into English in order for the students to become better acquainted with English as a language.

As well as learning a new language the students of this program are also given an opportunity to experience a different culture. Many will broaden their outlook on our country and will also be capable of finding careers in linguistics because of their bilingual background.

HEALTH DEPARTMENT

One of the major lessons learned throughout the years in public schools is responsibility. As a graduate, a person should be able to take care of the everyday problems of life. The Health course in Brockton High School is a course specifically devoted to bringing students up to date on subjects dealing with these responsibilities. Students that participate in our Health program learn the facts about their own bodies and minds that will allow them to function after graduation.

The Health course deals with subjects such as nutrition, and human relations as well as dealing with life saving techniques such as CPR. The Health Department, headed by Mr. Vincent Riccardi, is organized to stress to the students the importance of learning about their own body. The students leave the course knowing how to take care not only of themselves but also of the people around them.

Health may be the only subject which gives students knowledge that not only benefits that particular student but also everyone that comes in contact with others.

HOME ECONOMICS DEPARTMENT

Home Economics is a way in which one may learn first hand about the various areas of living. As a part of the Brockton High Home Economics Department students explore the development of themselves as individuals throughout the study of child care, family relations, clothing and textiles, foods and nutrition, and home planning.

Knowledge and attitudes as well as skills are an essential part of Home Economics. Teaching methods vary from class to class. They range from group interactions to films and speakers. Through decision making and problem solving, students will prepare themselves for both career-oriented society and the dual role of homemaker and wage earner.

I.R.C. DEPARTMENT

The I.R.C. Department consists of four Instructional Resource Centers and a Television and Radio Center. Each library carries its own topic of resource information. Two libraries devote themselves to science while the other two devote themselves to history. All four libraries are well stocked in literature and sports information, allowing a student to easily find any needed material. The libraries of Brockton High School have been commended for their quality and quantity of books, the professional administrators and staff and the program of cooperation with the classroom teachers.

As another part of the I.R.C. Department, Brockton High School is lucky to have its own Television and Radio Center. Under the supervision of Mr. Thomas Buba, the center videotapes activities such as drama club plays and sporting events to enhance the overall school spirit. The Television Center also aids the students by putting school messages on a message board broadcast throughout the school. The Television and Radio Center, proves to be a unique aspect of Brockton High School.

INDUSTRIAL ARTS DEPARTMENT

The Industrial Arts Department, here at B.H.S. gives students an opportunity to explore the many areas of study throughout technology. Courses are offered to all students in the fields of communication, design, engineering, manufacturing and transportation. These classes give the kind of preparation needed when deciding on a career in Industry.

Brockton High offers a multitude of varying courses in the Occupational Education System. With the supervision and skill of many faculty members involved in this department students will be prepared for future work in industry, vocation and technology.

MATH DEPARTMENT

Our Mathematical Department, under the direction of Dr. Daniel Adams, offers its students a wide range of math courses from which to choose. For the past several years the Brockton High School Math Department has given its students a new outlook on math -- Computers. Brockton High is one of the few schools in our area to be equipped with both Radio Shack and Apple Computers.

Since we are living in the "computer age" elective courses such as Computer Programming I and II allow students to become better acquainted with the machines themselves. The classes are intended to teach upperclassmen the fundamentals of programming a computer and using it as a problem solving tool. Students also learn the programming language "Basic" and learn to write and "debug" original programs.

In the always changing world of computers these courses are not only valuable but also essential. The Brockton High School Math Department has certainly gone a step beyond the ordinary math courses offered by other schools.

PHYSICAL EDUCATION DEPARTMENT

Physical Fitness is essential to every being in order to lead a happy and healthy life. The Physical Education Department at Brockton High tries to show students various, enjoyable ways in which they can stay fit.

Archery, golf, tennis and swimming are just a few of the activities students may choose from when picking their class each term. The students become familiar with the rules and regulations of these sports as well as other group related sports.

The world has become much more fitness conscious and the B.H.S. Physical Education Department has certainly been a great part of this movement.

SCIENCE DEPARTMENT

The Science Department at Brockton High School is one in which many students are proud. Not only do we have fifteen different Science Courses, we also have an outstanding group of teachers to instruct them. Under the leadership of Mr. Grant, the Science Department tries to give students a better understanding for science so they can relate it to their environment. With such a diversity in curriculum, students may choose to study Ecology, Aviation or Astronomy.

Brockton High School is fortunate to have its own Planetarium. Mr. Luzader, Planetarium director, shows the wonders of the universe not only to Astronomy students, but to students from other classes such as Earth Science and Physics.

The Brockton High School Science Department is one of the few in our school system with a unique variety of courses. Many have taken advantage of such activities as the Planetarium and have found them very rewarding and beneficial.

Under the direction of Mr. Donald Salvucci, the Social Science Department educates the students of the world around them. The department of Social Science guides students through the history of the United States as well as that of Europe and other countries. The choices in the department range from a course about Brockton to courses on Constitutional Law and European History. Helping students to develop their abilities and encouraging them to use these abilities to their fullest is the goal of Mr. Salvucci and his department. The Social Science Department wishes to encourage all students to take all opportunities and move forward through Social Science.

SPECIAL EDUCATION DEPARTMENT

What makes the Special Education Department at Brockton High exceptional is the team work and dedication shared within the department.

The department itself, under the authority of Mr. Molonson, provides adequate and appropriate education for handicapped students. Special Education focuses on students' goals and objectives. The program is designed to prepare students for independent life within our community.

A wide range of programs and services are offered to meet the needs of handicapped youths. The students are allowed to participate in regular school activities which enable them to prepare for living their lives independently. All programs are conducted with the cooperation of other departments; especially the Guidance and Vocational Education Departments, the Home Economics and Physical Education Departments.

Brockton High is very proud of the Special Education Department and hopes it will continue to enhance the lives of the handicapped for years to come.

CLUBS AND ACTIVITIES

SENIOR CLASS OFFICERS AND EXECUTIVE COMMITTEE

SENIOR CLASS OFFICERS: (L to R); S. Moore, President, S. Giannaloudis, Vice President, C. Kazis, Secretary, D. Riccardi, Treasurer.

The Senior Class Officers and Executive Committee have worked hard to try and achieve each goal they have set. They took great pride in their final year as class officers and worked as a team to represent the Class of 1985.

Among some of their achievements were the selling of flowers, spirit caps and merryteles. They also organized the Semi-formal, held at the Ridder Country Club, the Senior Prom, the Senior Fashion Show and many successful dances.

The students of our class have something special with which no other class can compare. They will always have the everlasting memory of being proud members of the Class of 1985.

SENIOR EXECUTIVE COMMITTEE: (L to R); 1st row: J. Belanger, N. Sheridan, C. Cronin, J. Donahue, J. Elman, G. Bacca, S. Sullivan. 2nd row: K. Conner, B. Norton, A. Cessarini, K. Costello, M. Delea, B. Parise, D. MacDonald, J. Uzzo, M. Connors.

JUNIOR EXECUTIVE COMMITTEE: (L to R); 1st row: E. Marciano, C. McGillis, M. Miskinis, D. Ritucce, L. Tartaglia, K. Hennessey. 2nd row: M. Steele, S. George, C. Hicks, J. Zycheck, D. Sheehan, J. Promisel. K. Brady.

JUNIOR CLASS OFFICERS: (L. to R.); R. Honiball, President, R. LeDuc, Vice President J. Schmidt, Secretary, M. Dye, Treasurer

The Junior Class Officers and Executive Committee worked very hard to make our Junior year a memorable one. We sponsored many activities as candy and flower sales as well as our annual dances.

Our Junior Prom, held in April, was a great success. Christos II in Brockton provided our class with an elegant atmosphere. It was a night we will all remember.

The Junior Class wishes the Class of 1985 the best of luck in their futures.

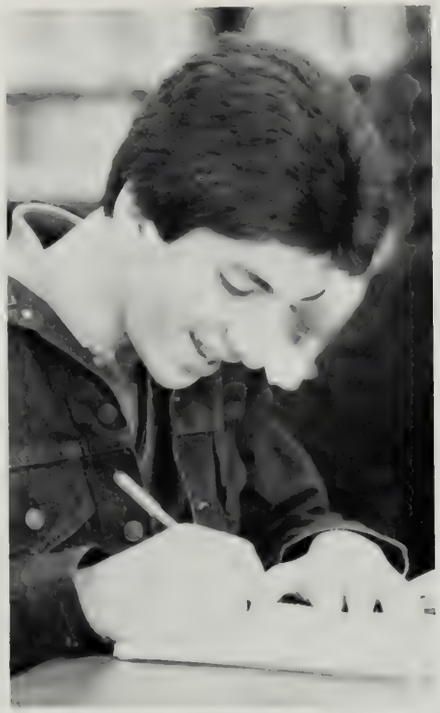
JUNIOR CLASS OFFICERS AND EXECUTIVE COMMITTEE

SOPHOMORE CLASS OFFICERS AND EXECUTIVE COMMITTEE

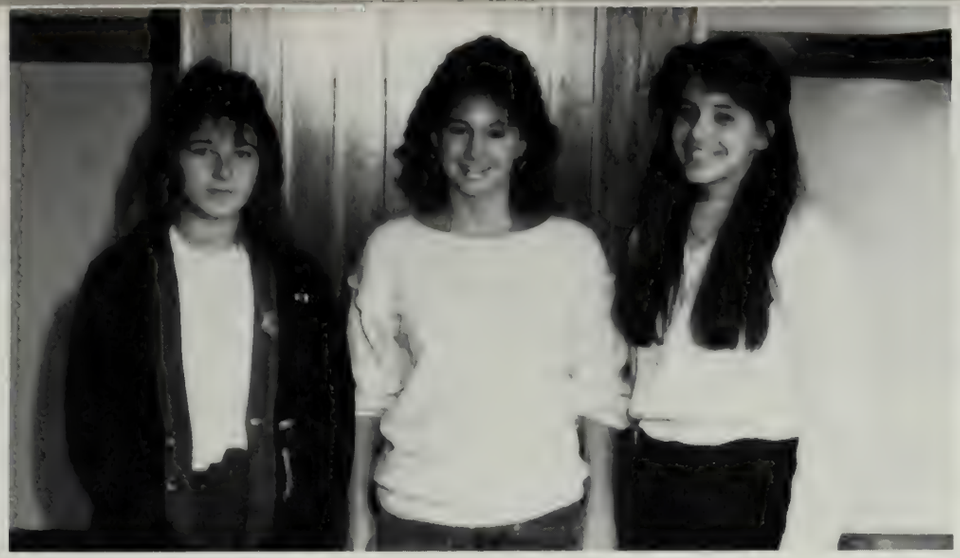


Each class at Brockton High has particular goals which it would like to obtain. The Sophomore Class Officers provide the leadership and dedication necessary to accomplish these goals. They worked hard at building a strong foundation for their treasury as well as planning interesting activities for their class members.

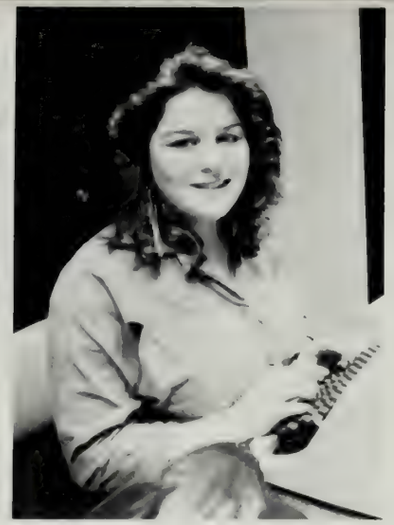
With the enthusiasm of the student body and the leadership of the Class Officers and Executive Committee the Sophomore Class had a very successful year.

SOPHOMORE EXECUTIVE COMMITTEE: (L to R); 1st row: M. Myers, M. Silverio, B. Costello. 2nd row: A. White, E. Waldman, M. Assad, L. Fuchs, T. Elibero. 3rd row: J. Johnson, N. Allaire, R. Kechijian, S. Middleton, M. Polgar, J. Cahill, A. Kriteman, Mr. Kelleher, Advisor.

SOPHOMORE CLASS OFFICERS: (L to R); A. Perez, President, L. Chin, Vice President, J. Horton, Secretary, S. Shaw, Treasurer.



FRESHMAN CLASS OFFICERS: (L to R); D. Gyukeri, Treasurer, E. Steinberg, President, J. Peznola, Vice President. A. Pak, Secretary (Missing).



Each year the job of the Freshman Class Officers and Executive Committee is one which shouldn't be taken lightly. During this past year, the Class of 1988 was given the important task of developing their constitution. This document gives the Class of 1988 guidelines which to follow during their high school years.

They started off this year by electing a strong slate of officers and Executive Committee members who raised money by various methods in order to improve their financial status. Through hard work, they built a class strong in pride and leadership.

FRESHMAN EXECUTIVE COMMITTEE: (L to R); M. Mangos, K. Connolly, S. Moffitt, D. Johnson, C. Bosco, M. Willett, A. Splane, C. Reagan.

STUDENT SENATE

The senate is a student organization that represents the school as a whole. Elected by their house and class, each senator listens to the students to find what is wrong with the school policy. The steering committee of the senate, then brings these problems to Mr. Reagan to find a solution.

Not only does the senate work with the school policy, they also hold bloodmobiles and raise money for various charities. The Halloween collection of 1984 brought in the most ever for UNICEF.

The major goal of the senate is to improve the school with the students' help. The senate meets every Wednesday and all are welcome to attend. The senate would like to thank Dr. Donnely, our new advisor, for the time he has given us.

S.A.C. TO THE SCHOOL COMMITTEE: (L. to R.); J. Donahue, L. Bagane, C. Doherty, C. Kazis

The Student Advisory Council to the School Committee is a form of student government which is present at every school committee meeting. The S.A.C. expresses the students' views to the School Committee. In return, the School Committee acts accordingly in order to help the high school and its students.

The seat for chairperson at the School Committee Table was established in 1983 and is considered one of the newest features to the Student Advisory Council. The chairperson sits at the Table bimonthly. This enables him to express the students' views directly to the committee. The Student Advisory Council is an essential organization to the school and to the School Committee.

S.A.C. TO THE REGIONAL: (L. to R.); A. Benson, S. Moore, B. Paressey, A. Sache, M. Conners

SOUTHEASTERN ADVISORY COUNCIL

The Student Advisory Council to the State Board of Education was instituted in 1970 to give the students of Massachusetts a voice in their education. In early 1984, Brockton High elected four delegates to serve one year terms on the S.A.C. They were Jill Donahue, Cathy Doherty, Krissy Kasis and Liz Bagans. These four have been attending monthly meetings ever since.

The S.A.C. plays an important part in our education. Many students wish this organization will continue for future classes.

STUDENT ADVISORY COUNCIL

NATIONAL HONOR SOCIETY

The National Honor Society consists of upper class students who have achieved academic as well as extracurricular excellence throughout their high school years. After careful consideration by faculty and administration, those students who possess special qualities in their performance at Brockton High are chosen to be a part of this group.

In June of their Junior year, new members and their parents are invited to an induction ceremony. Each member of N.H.S. volunteers to tutor other students in various subjects as well as to help with fundraisers. The money is then collected and used for next year's National Honor Society inductees. In this way, the oath of loyalty, pledged by each member at the induction ceremony, will be carried on throughout the years.

The Afro-American Club is a group of students sharing mutual interests, backgrounds, and goals. The club offers students a chance to work as individuals as well as a group in order to improve their academic, social and personal lives.

The group is involved in various fundraisers during the school year. Bake sales and their annual fashion show are a couple of activities which contribute to the success of the club.

Looking back at the events in which they have participated, most students truly gained a sense of productivity and extra responsibility as well as the ease and friendship of working with others.

The Brockton High School Drama Club is one of the most widely renowned drama clubs in Massachusetts. Under the direction of Miss Carol Thomas, as well as the contributing efforts of Mr.Richards, Mrs. Kelly and Mrs. Thomas, each performance lived up to the reputation of excellence.

This year's December production, "Good-Bye, My Fancy", highlighted the incredible talents and abilities of many fine performers such as Donna Foster, Mike Tosca, John Cahill and Debbie Shapiro. The B.H.S. musicals, held in the spring, have also illustrated the qualities of an outstanding production.

The Brockton High School Drama Club has, in the past, won many awards for its performances and will continue its tradition of fine work.

The Technical Crew is a very important part of the Drama Club. The "Techies", as they are called, are the backbone of each dramatic production. Their main function is to produce scenery, sets and lighting for the Drama Club. This past year these hard working, dedicated students produced an outstanding set for the play "Good-bye, My Fancy".

The largest production of the year is the annual musical. Each year, months of work go into the creation of the extensive set which is essential to the play.

The spirit of the B.H.S. Drama Club shines through not only during a production but in the celebration afterwards. In this respect, the "Techies" play a large part.

This year was a year of hard work and enthusiasm for the staff of *The Permanent Press.* The three Co-editors: Larry Sousa, Wendy Mucci, and Brent Rossi along with the advisor, Mr. Miele, have produced several issues that we hope have been both stimulating and enjoyable to read. Without the contributing efforts of the writers, photographers and typists none of this would have been possible. The editors wish to thank them for the work they have done.

The newspaper itself is more than just ink and paper --- its informative articles, insightful editorials and eye-catching photography that allows students to learn more about Brockton High School and its environment.

The *Literary Review* brings forth the creative writing talents of both students and faculty members. The staff reads and evaluates many submissions most of which are printed. The *Literary Review* consists of creative works ranging from original poetry to short stories. Members of the staff are given the chance to attend an annual writing workshop at Emerson College in Boston. There, students are able to enhance their writing abilities through the help of experienced professionals.

Creative writing is a way to express one's feeling. The *Literary Review* allows students to share their talents with others.

COMPUTER CLUB: Dr. Daniel Adams, Advisor; I. Greenblatt; E. Greenblatt; G. Casavant

The Computer Club meets on certain days after school. Those students who participate in this club are permitted access to the Apple IIE computers for various uses. Some students learn the languages of BASIC or LOGO while others simply play computer games. Although no formal activities were planned, according to Dr. Adams, the advisor, there will be plans for activities in the future.

The Spanish Club is made up of a group of students who enjoy learning about the customs and traditions of the Spanish countries. Under the leadership of President, Anne Benson, the club was off to a good start. This year many interesting and exciting activities were planned such as fundraisers, Mexican fiestas and trips to Boston. With the enthusiasm and support of our advisor, Mrs. Aleman, as well as the efforts by Debby Green (Vice President), Beth Millman (Secretary) and Suzanne Sullivan (Treasurer) this year has proven to be one of the best years ever for the Spanish Club.

The French Club, known as "Le Cercle Francais" to its members, returned this year after a two year absence.

Under the watchful eye of Mrs. Sarah Wheeler, Le Cercle Francais organized money-making events such as breakfasts consisting of hot croissants, cafe au lait and hot chocolate.

President Denise Blanchette, Vice President Rich Litchfield, Treasurer John Cahill and Secretary Wendy Mucci worked closely with Madame Wheeler and the other French Club members this past year to enjoy the French culture.

The purpose of the T.V./Radio Club is to offer members the opportunity to learn about the communications medium of television. Members are allowed to use the television studio in the Fine Arts Building to learn about the equipment and the ways it may be used. Members sometimes use these experiences as a foundation for career choices in the many media fields. The projects are aimed at publicizing the activities of school clubs and organizations. This year members of the T.V./Radio Club were offered internships by Continental Cablevision in Brockton. The students helped with the filming of football games and other sporting events. It gave the students great working experience needed in the many fields of media.

The school bank accounts for all the money generated within the high school. This includes all of the money earned by the student government, funds from class treasuries as well as vending machines. The school bank deposits the money into city banks in order to collect interest under the authority of Mr. Reagan and Mr. Kelleher, the bank's advisor.

Advice for finances is given to each advisor in order to ensure that their accounts balance. Detailed records are kept of all financial transactions to guard against any discrepancies. In effect, the school bank is the center of accounting for all school generated funds.

Brockton High's four I.R.C.s have relied heavily on student monitors for the past several years. Student monitors help others get the most out of the Instructional Resource Centers. These students are responsible for retrieving returned books, reshelving them and answering the telephones. Without the help of these students the use of the I.R.C.s might be restricted to the classtime a teacher gives his students for research.

Concert Choir meets for two mods every day. Under the direction of Penny Knight members rehearse and perform a variety of songs ranging from classical to pop. In addition to the holiday and Spring concerts, the Concert Choir performs each year for the Junior High Schools.

Harmonics, a smaller group consisting of Concert Choir members, meets once a week at night. To be in Harmonics one must audition for Miss Knight. The selection of members is based on sightreading, matching intervals and being able to hold a part alone in a quartet.

The two groups perform at many other functions. They sing at the Westgate Mall during the Christmas season as well as for other organizations.

CHORUS

The Brockton High School Jazz Ensemble has always been a group striving towards perfection. Under the direction of Mr. Vincent Macrina, the band has had many opportunities to participate in various Jazz Festivals around the world. In addition, the Jazz Ensemble has served as a pep band for local colleges such as Stonehill College.

The band offers students a chance to express their talent and showmanship. Along with this comes the chance to develop strong friendships. The Jazz Band has constantly given musical excellence and good notoriety to Brockton High.

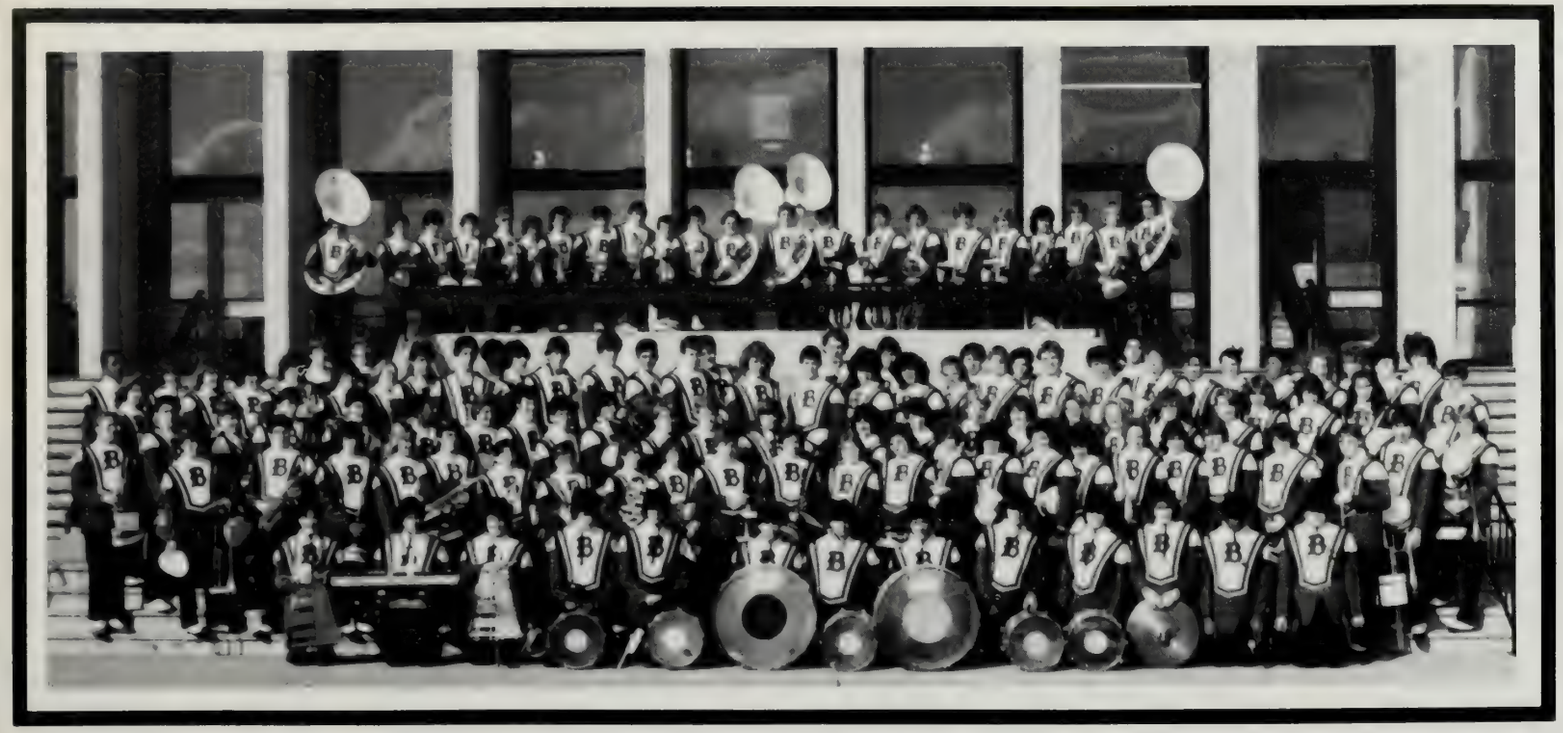
MARCHING BAND



1984-1985 was a very successful year for the B.H.S. Marching Band, under the direction of Mr. Vincent Macrina. The marching season, featuring popular top-forty hits and a salute to Broadway, raised many compliments from the spectators.

Our thanks to the Band Boosters for all of their support in helping the band raise money for our trip to Toronto, Canada. Finally, a special thanks to Mr. Macrina for all of his help and for caring enough to make us the best we could be.

Everyone has worked together to make it a great year. We will never forget the friends we have made or the experiences we have shared while being a part of the B.H.S. Marching Band.

MAJORETTES: (L. to R.); 1st row; J. Noone, M.E. Rollins, Captain, 2nd row J. Noone, M. Damon, J. Duquette, M. Woulette, D. Polednik

The 1984-85 Majorette squad added a third dimension to an already outstanding half-time show here at B.H.S. With returning Senior, Mary Ellen Rollins, as Captain each of the girls worked together along with their advisor, Franny Hancock, to put together many fine routines.

Each of the girls worked very hard to make their portion of the half-time show one to remember.

Under the direction of Miss Carol Thomas and Mrs. Susan Osofsky, the 1984-85 Half-Time Squad was dedicated, happy and successful. Along with the band, cheerleaders and majorettes, two half-time shows were presented to the many Brockton High School fans. The first included popular songs of today such as "Flashdance", "Maniac", and a finale of "Beat It" in which the band and all of the girls danced to the beat of applause from the crowd.

The second show featured a salute to Broadway. The show entailed "Give My Regards to Broadway", "Lullaby of Broadway", a tap dance to "42nd Street" and finally a kickline stretched across the entire field to "New York, New York".

We would like to thank Mr. Macrina, Miss Thomas and Mrs. Osofsky for their continued dedication and hard work.

The Pride is Alive Committee acts in conjunction with the Steering Committee. These active groups are made up of proud Brockton High students who have joined together to promote school pride. Without the efforts of these students many arrangements for football games, such as red and black balloons and transportation, would not have been possible. The Steering Committee and Pride is Alive not only supported the football team but many other sporting events and activities as well. The pride is quite evident at Brockton High and it will always be alive.

This year has been a very good year for the Brockton High Cheerleaders. The squad's enthusiasm and efforts have really paid off. We are honored to have been a source of encouragement and inspiration to the Boxers.

At the end of the football season, the cheerleaders work was not finished. We faced a new beginning and a new challenge with the start of the basketball season.

The hard work and long practices were all worth it. The cheerleaders are proud to be a part of the victory.

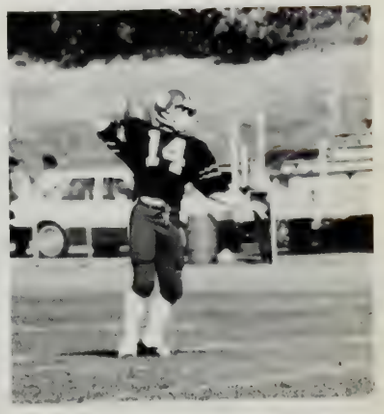
FOOTBALL



It was the perfect season for the 1984 -85 Brockton High School Boxers: 11-0 Suburban League Titlists and undisputed Division I Superbowl Champions. The Boxers were proclaimed by Coach, Armond Columbo as "the best team I've ever had at Brockton".

Led by Captains Chris Hancock, Peter Marciano, Sherrod Rainge and Odell Wilson, the Boxers left their mark throughout Division I. On offense, the Boxers were led by state record-holder, Tommy Columbo; running backs, Odell Wilson and Greg McMurtry and recievers, Peter Marciano and Sherrod Rainge.

Such accomplishments could not have been possible without the help of Brian Houston, Greg Doherty, Howie Rosen, David Clifford, John O'Conner, Jon LaRosa and Kevin Bernard. Our thanks to all of the coaches for an outstanding season.

GIRL'S SWIMMING

The 1984 Girl's Varsity Swim Team had an extremely successful season. They managed to maintain a record of 8-0 and captured the Suburban League title for the tenth consecutive year. The girls went on to become the South Sectional runner-up team with exceptional swims by Sheryl Barron, Dawn Kostka, Kim Fairfield, Lori Galante, Julie Johnson and Laura Ambroseno. There were also excellent diving performances by Julian Hudgens, Stephanie St. George and Beth Martin. Led by Coach Brendan O'Neil, the girls completed yet another impressive season and they maintained their superb record.

BOY'S CROSS-COUNTRY

The 1984 Boy's Cross Country team ended its season with an overall record of 4-3 and placed tenth in the Eastern Mass. State meet. The team's success can be attributed to the hard work of coaches Bill Jennings and Bob Powers. The team was led by seniors Co-Captains Tony Centeio, Bill Pugliese and Erik Klaver. Also contributing to the team's success were Danny Fortes, Steve Wilcox and Paul Hines.

Special honors were won by Tony Centeio, who was selected as a member of the Suburban League All-stars, for his top performance in the Catholic Memorial Invitational meet and the Suburban League meet.

GIRL'S CROSS-COUNTRY

The 1984-85 Girls' Cross-country team was one of quality. With coach, Mr. O'Donnell, and combined efforts from Robin Rodenbush and Kristyn Mulloy, who have been members of the team for three years, we managed to have a successful season. Also the contributions from Teri Pappas, Alissa Kriteman, Millie Sena, Patty Martin, Nancy Punter, Joanne Mendez and Kristen Healey, who were fairly new to the team, proved to be promising.

Each of the members of the past cross-country season show great promise for the coming 1985-86 season.

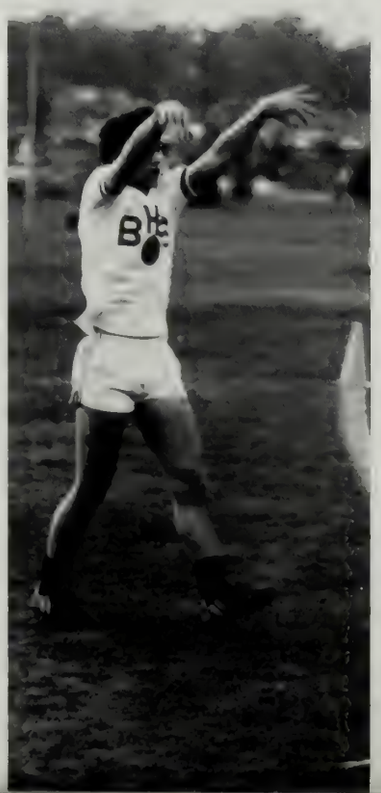
BOY'S SOCCER



The Brockton Boy's Soccer team, though with hopes of a Suburban Championship, finished with a record of seven wins, eight losses and three ties. The record was due to the loss of Brockton's star halfback, Fidileo Resende, who bowed down to a knee injury at mid-season.

Brockton was in the running for the Easten Mass Tourney until the last game. This was due to the play of some outstanding Seniors: All Scholastic, Spiros Zachos (Co-captain and sweeper), Tony Evora (Co-captain and fullback), Paulo Vicente (goalie) and Paul Spence (half-back).

Spiros Zachos

GIRL'S SOCCER

The Girl's Soccer Team ended their season with a record of nine wins, seven losses and two ties. Ranked third in the Surburban League, the girls missed the State Tournament by just one game. Being a primarily young team, with only five Seniors, the defense was the key factor to the girls' overall performance. Tri-captains, Nancy Sheridan, Rae Harvey and Jodi Holyoke, along with seniors, Sharon Jacobson and Kathy Murphy led the girls to a successful season.

VOLLEYBALL

The 1984-1985 B.H.S. Volleyball Team, coached by Tim Delaney, earned the title of Co-Suburban League Champs with an overall record of 22-2. The team's tri-captains were JoAnne Lynch, Karen Mackedon and Susan Tower. The entire team consisted of eleven players with seven of them being Seniors. They included Lisa Lupo; the explosive offense of JoAnne Lynch, Barbara Quinn, Susan Tower and Kristen Zapustas; defensive specialist Karen Mackedon and the setting by Karen Mackinaw. The remaining team members were Nancy Fanizzi, also on defense, Nadine Pierrelouis, Maggie Dollan and Beth Carroll. The Lady Boxers had a successful season, making it into the finals of the South Sectionals.

Working together for four, long years made the team what it was. Good Luck to the Classes to follow and thanks for everyone's support.

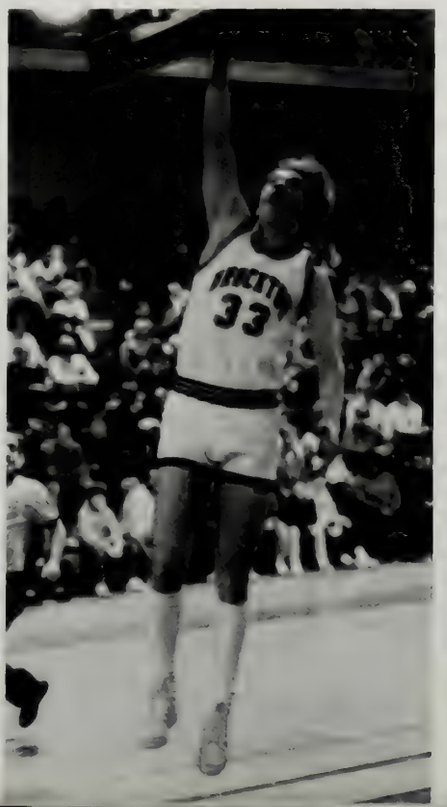
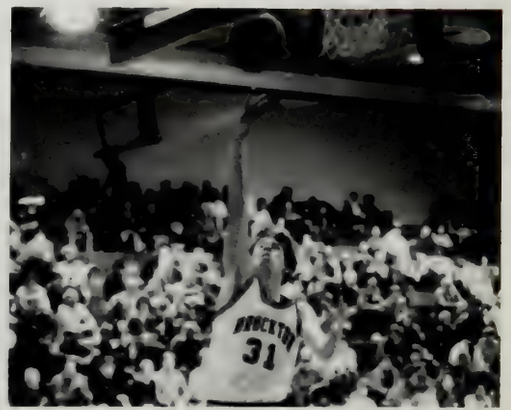
BOY'S BASKETBALL

The 1985 Boy's Basketball team, under the supervision of coach Victor Ortiz, has played an outstanding season. The team has faced some tough competition but they always seemed to come out on top. Exceptional performances were handed out by Curtis Jackson, Mike Shelby, Pat Boen, Danny Anglin and Odell Wilson. Others contributing to the team's success were Mike Tarushka, Chris Greely, Steve Robie, Ernie Bell and Rubin McGee.

Missy Shimkus





GIRL'S BASKETBALL

With five players returning from last year's varsity team, the Lady Boxers boasted experience and excellence. The front court, consisting of Senior Tri-captains Karen Daniloff, Kristen Zapustas and Liz Garner, was the most talented in the league. With Senior Karen Mackin, and outstanding defensive player, as off-guard and Juniors, Lynne Tartaglia and Lisa Yenush alternating as starting point guard, the back court was equally as strong. The rest of the team added to the excellence of the Lady Boxers.

With total team effort, including the managers: Suzanne Connolley, Terri Brennan and Maria Rello, as well as head coach Ed Gifford and assistants Bill Poliseno and Bob Lawrie, the Boxers finished with an outstanding season.

HOCKEY

The 1984-85 Brockton High School Hockey Team, coached by Mr. Bob Darcy, had a successful season, making their way to the State Tournament for the first time in several years. Captains Bill King, Butch Bagas and Scott Peterson guided the Boxers toward a strong finish. The team was led in scoring by Mark Payson, Bill King and Butch Bagas. The goaltending of Jeff Krauthammer was powerful as well as the solid defense displayed by Scott Peterson, Bill Accardi and Dan Morrisey. Outstanding performances contributing to the team's success were exhibited by David Burke, George Eonis and Ed Dupuis. Next year's team looks promising with the talent of Mark Payson, Bernie Cassell, Fred McEnroe and Matt Trenovich.

GIRL'S GYMNASTICS

For the past two seasons, B.H.S. held the Suburban League Gymnastics title and has qualified for state level competition. This year was no exception. The Boxers had earned a position at the South Sectional State Competition.

Commanding the lead this year were Co-captains, Cheryl Pepi and Dena Hadges. Cheryl was a consistent competitor and performer who had the highest score average and top all-around scores on each event for the 1985 season. Dena Hadges' specialty was the balance beam. Her poise and advanced difficulty have won her many awards including first place on beam in the League Championships and third in the state finals.

BOY'S INDOOR TRACK

Pure dedication was seen in the members of the Boy's Indoor Track team. Because B.H.S. didn't have an indoor track, the team was forced to practice in the snow and cold. The team finished with a winning season and a handful of state relay victories. The dedicated members included the relay team: Captains, Ed Zine, Tony Kiramarios and Tony Centeio; and sprinters: Brian Russo and Paul Blanche, with Bill Greene, John Reed, Mike "Cubby" George and Hanna Nessarella throwing the shot put. All of the members should be commended.

The team overcame the disadvantages and proceeded to a winning season and a third place position in the Suburban League.

GIRL'S INDOOR TRACK

The Brockton High School Girl's Indoor Track Team endured a tough season but fought all the way.

Strong performances came from Gretchen Devery, Karen Mackedon, Kristen Mulloy, Robin Rodenbush, and Julie Dunn.

Next years team will have a lot of veterans to look forward to. They will have a knowledge of the sport.

BOY'S SWIMMING

The Boy's Varsity Swim team has certainly contributed its share of victories to the team's impressive past history. Through the rigorous training of Mark O'Keilly and Peter Caruso, the team had an overall successful season. Outstanding performances were turned in by Captains Paul LeVie, Lee Pinstein, Wayne Silverman and Seniors Scott Raymondi and Rich Litchfield. Other key swimmers included Bob Leonard, Chris Fox, John Rogers, Kevin Greene and diving by Ricky Keane. This team was runner-up at the Suburbans this year.

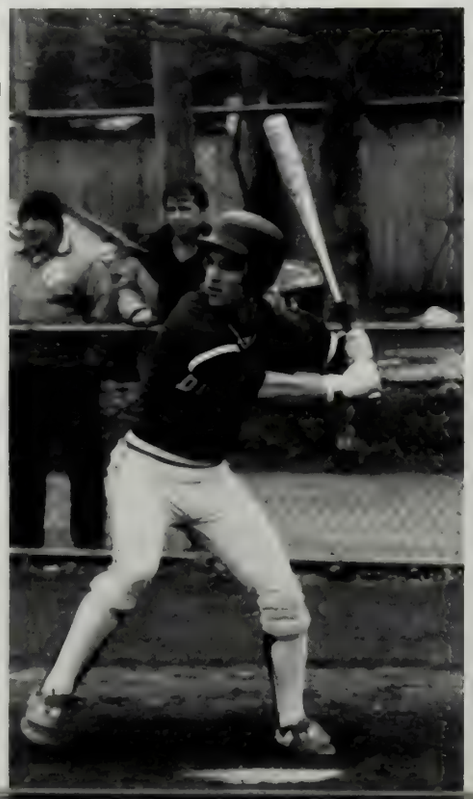
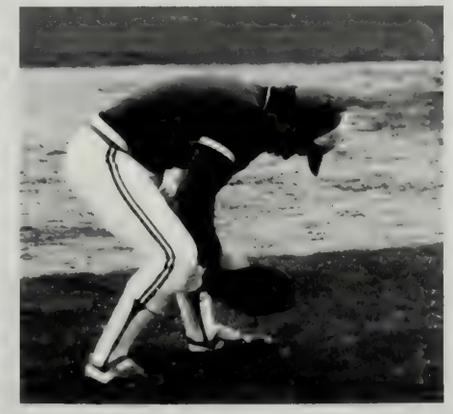
BASEBALL

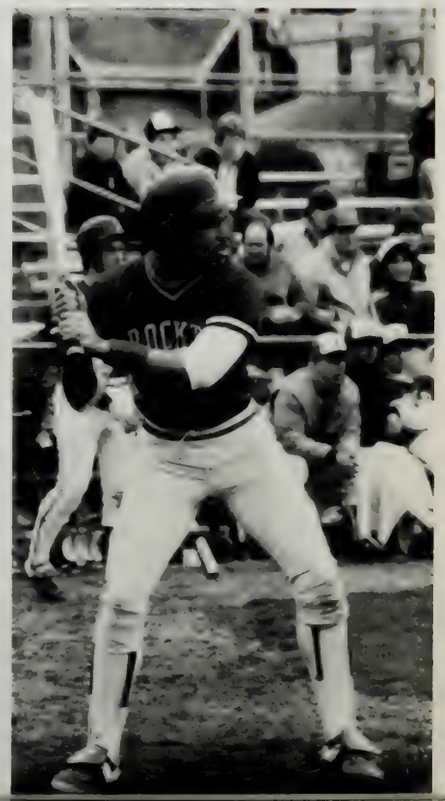
The 1984 Baseball Team compiled a record of 19-4, won the Suburban League Title and earned a trip to the South Sectional Championship. The team was led by Suburban League All-Stars Peter Marciano, Sherrod Rainge, Paul Cosgrove and Dan Venuto.

In 1985, coach Tom Pileski's team will feature numerous returning letterman. Infielders include Steve Bruni, Paul DiMarzo, Pat Boen, Tom Colombo and Peter Marciano; while the outfielders are Sherrod Rainge, Greg McMurtry and Dave Riccardi. The pitching staff will be built around Howie Rosen and Mike Bruemmel, both of whom contributed in 1984.

This veteran squad, with the addition of some upcoming talent, makes Brockton a prime contender for tournament play.







SOFTBALL

The Girl's Softball Team which was led by the relief pitching of Freshman, Rookie-of-the Year, Chris Kent; the hitting power of Senior, MVP Ellen Kent; and the all-around talent of Liz Garner, Lisa Yenush and Maria Rello, won their first Suburban League Championship.

When asked about his team's success, coach Ed Gifford replied, "I have had teams that have had much more overall talent, but no team has worked harder than this team-they just don't give up."

This year's team with elected captains: Liz Garner and Maria Rello and other returning Seniors: Jodi Holyoke, Sharon Hudgins and Sharon Jacobson, has proven to be even tougher than last year.

GIRL'S TENNIS

The Girl's Varsity Tennis Team had one of its most successful seasons this past year, under the direction of David Gain. The girls had an enjoyable as well as rewarding year because of the outstanding performances by Seniors Karen Goldberg, Kristen Stadleman, Deidra Hayes and Terri Shine as well as contributing efforts from Debbie Shapiro, Suzanne Sullivan, Cathy Doherty, Mary Beth Meehan, Michelle Delea, Any Celia and Kim Hall. The girls performed as a close knit team which resulted in the outstanding group efforts put forth from all.

BOY'S TENNIS

Under the coaching of Mr. Brosius, the Boy's Tennis Team completed their 1984-85 season with a record of 8-4. Leading the way were the three Singles players: Pat Defelix, Lee Pinstein and Chris Langway. Doubles were played by Steve Guerra and Tim McElroy as well as Chris and Jeff Wiesner.

The only defeats came at the hands of League-leading Brookline and Newton North. In the remaining competions, matches were close but the players always found a way to pull it out.

The team hopes the remaining starters for the 1985-86 season will be strong contenders for the Division Title.

GIRL'S TRACK AND FIELD

The 1983-84 Spring Track team proved to be a tough opponent in the Suburban League. Co-Captains Emily Valiquette, Kim Mackedon and Elaine Centeio lead the team to numerous victories. Emily Valiquette always dominated the field events while sprinters Amy Cessarini and Helen Wiener proved strong as did hurdlers Karen Mackedon and Marybeth Walsh. This well-rounded team, coached by Mr. O'Donnell and Ms. McClosky, lost many excellent competitors at graduation. However, the remaining team members, including distance runners Jacquie Belanger and Gretchen Devery, will prove in the 1984-85 season that it is difficult to defeat a Brockton High Boxer.

BOY'S TRACK AND FIELD

The Brockton High Track team had a league champion in nearly every event. The field events were led by Billy King and Peter Asiaf, hurling the javelin; Bill Greene throwing the discus and the shot put as well as Mike "Cubby" George and Hanna Nessarella; Bill Roy and Captain, Ed Zine in pole vaulting; along with decathlete John Reed; and Charlie Crosby in high jumping.

Alongside the field events, the track events were a very strong area which included the high hurdles by Mike Sheldon, Dave Ramsden and Paul Hines, and the low hurdles by Paul Blanche, Chris Bennet and Bob Morrill. Another major force on the team were the relay teams and sprinters who included captains Tony Kiramarios, Ed Zine and Tony Centeio along with Brian Russo, Paul Blanche, Bob Morrill, Tommy Lapoint and Chris Bennet.

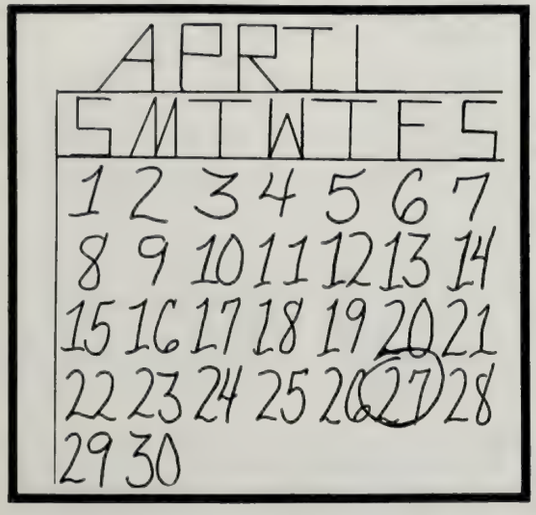
TIME WILL REVEAL



The Junior Prom, held for the first time at Christo's II in Brockton, was an evening full of excitement, fun and surprises for the Class of 1985. April 27, 1984 began at 8 o'clock with a meal consisting of a fruit cup, Christo's greek salad, chicken Christo's, oven baked potatoes and string beans almondine, with a slice of kahlua ice cream pie for dessert. During dinner everyone was entertained with an unexpected slide show of baby pictures and candid snapshots of various members of our class.
Through the evening we socialized and danced to music provided by Karen Blake of KISS-108 FM. For a finale we danced with our dates to our prom song, "Time Will Reveal" by DeBarge.

The 1984 musical, "ANNIE GET YOUR GUN", was a wonderful gala of music, dance and acting. Starring Elaine Moccia as Annie Oakley, the entire performance of "ANNIE GET YOUR GUN" left the audience with feelings of jubilation.

With a cast and crew of about 200 students, the musical came together strongly and professionly. Under the direction of Carol Thomas of the Drama Department; Thomas Richards of the Art Department; Elaine Kelly on costumes; Susan Osofsky on choreography; and Alice Cary on music, the show was a great success.

The musical contained such memorable songs as "No Business Like Show Business" and "Doing What Comes Naturally".

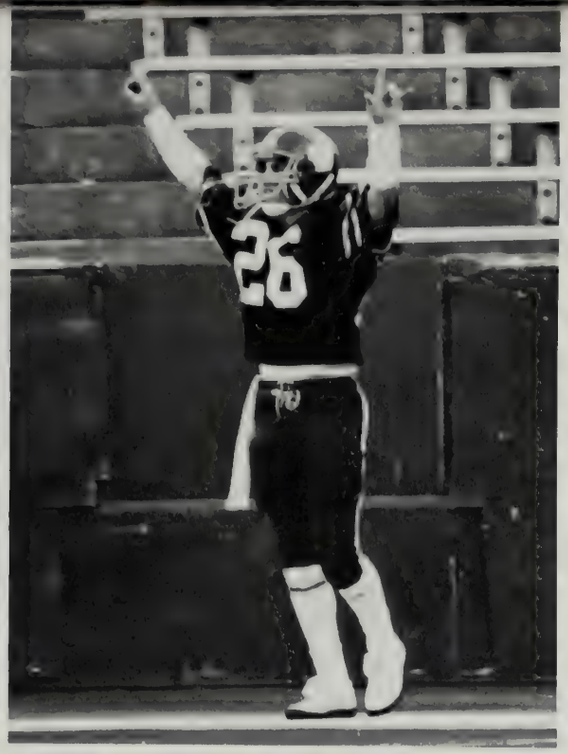
GO-GUYS-GO



On December 1, 1984, the Brockton High School Boxers went into Sullivan Stadium ranked number one in Eastern Massachusetts with the task of defeating a potent Lexington team who was ranked number two. The 20-6 thrashing of Lexington was a total team effort as the offense and defense worked together to shut down the Lexington squad.

The Brockton High Boxers were crowned Division I Champions in a fashion that Boxer fans have become accustomed to. They represented the city, school and the students of B.H.S. in such a way that will be a great model for future Brockton teams to come.

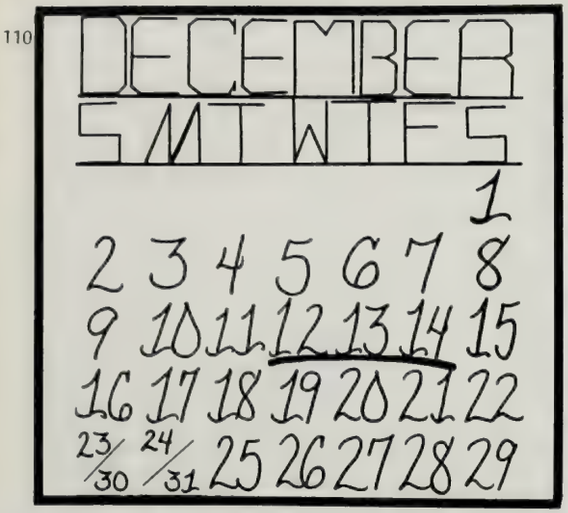
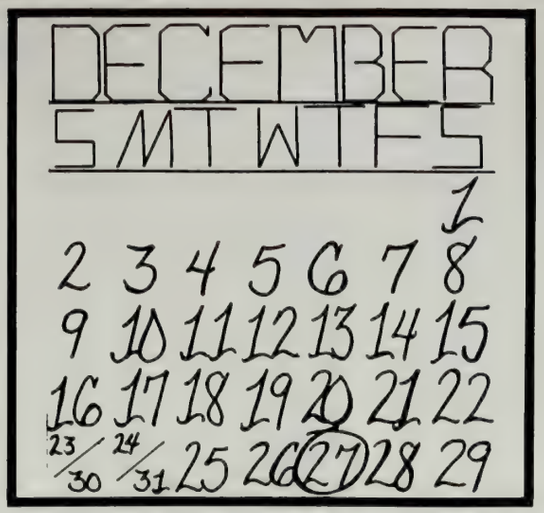
"GOODBYE, MY FANCY"



On the nights of Dec. 12-15, 1984 audiences enjoyed the B.H.S. Drama Club's presentation of the three act comedy "Goodbye, My Fancy". It was the story of a congresswoman returning to her college for an honorary degree, only to find that the man she thought she loved had changed. The story took place over commencement weekend at Good Hope College for women in Good Hope, MA. in June 1948.

Under the direction of Carol Thomas, the cast really grasped the serious theme while letting the humor of the play shine through. The outstanding performances of this play will be remembered for a long time.

Wendy Mucci and Donna Foster



The Brockton High School Music Department proudly presented their Freshman Band, Concert Choir and Senior Band on December 19, 1984 in their annual Holiday Concert. A new addition to this festive occasion was the accompaniment of the seven piece Brass Choir to the Concert Choir's Halleluia chorus and a Rhapsody of Christmas. The bands were directed by Mr. Vincent Macrina and the Choir by Ms. Penny Knight. The performance was repeated for the Senior Class the Friday before vacation.

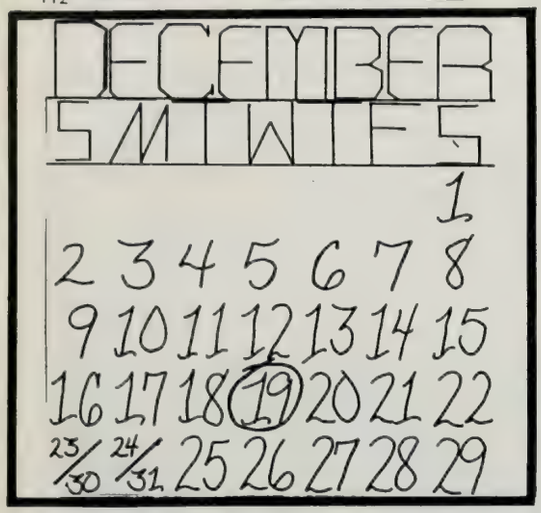
'TIS THE SEASON

SEMI-FORMAL



On Thursday, December 27, 1984, Ridder's Country Club hosted over 300 students to a tasty buffet and coke bar for their annual Senior Semi-formal. Karen Blake of KISS 108 FM brought excitement to the students while playing all of the popular hits as well as the older ones. We will remember our Semi-formal as being one of the biggest events of our Senior year.

SENIORS

This picture may not seem like much, but to many of us he is a part of our lives that is missing. Because of Brian's lifestyle it is better that remember him for the way he was before his accident.

Brian was known to be quite an outspoken person. He spoke his mind and did his own thing. Brian was seldom bored and oftentimes very outrageous. He loved his motorcycle and dreamed of his success in motorcross. Although Brian was known to be offbeat, he was also known and loved by many people. Brian is definitely one never to be forgotten by family and friends.

A friend

It was an accident that should have never happened to him... or anyone.

Val was a great person.
He is sadly missed by all who loved him.
He was the kind of man who was loving, caring, and always gave himself to help others.
Val, we miss you and will always remember you.

Please God, do us a favor,
please take good care of our Val.

NANCY TALLIER

You left us quietly,
your thoughts unknown.
But you left us with memories
we are proud to own.
We treasured your friendship
for it was the best.
And we'll miss you always
in your garden of rest.

A rose blossoms
and brings joy to all who see it.
Slowly the petals fall
until there are no more
and only the stem is left.

Nancy blossomed
and brought joy to everyone she knew.
She left us memories
until she was unable to give anymore.
Now, only her love exists.

— Jeanine Silva

Goals are dreams and wishes
that are not easily reached.
You have to work hard to
obtain them,
never knowing when
or where
you will reach your goal.

But keep trying!
Do not give up hope.
And most of all . . .
never stop
believing in yourself.

For within you
there is someone
special . . .

Someone wonderful
and successful.
No matter what you achieve,
as long as you want it
and it makes you
happy,
you are a success.

Where my dreams are all too clear
Darkness, darkness
Filled with all the sounds of fear

I hear voices
Calling far away
I see shadows
Moving changing shape

And the clock stops
As darkness closes in

I hesitate but its too late
I scream and scream again
I hear colours black and red
I see the sounds that fill my head
I'll never read those books again

MY COLORING BOOK

These are the eyes
that watched the years
as they walked away.
Color them grey.

This is the heart
that thought friendships
would always be true.
Color it blue.

These are the arms
that held the memories
so closely between.
Color them green.

These are the rooms
we played in
and worked in somehow.
Color them empty now.

This is the magic
we once depended upon.
Color it gone.

WENDY FLAHERTY (R)

Changing every day
And you've got to know
your way around
If you're going all the way.

So many new directions
So many ways to go
I need a place with choices
A place with room to grow.

I'm gonna make it happen
I'm gonna learn a lot
Now I can make the most
Of everything I've got.

I see a new horizon
An opportunity
I finally found the road to
Take me where I want to be.

In each and every person
there's a beauty that's set.
It brings out the love,
light and happiness
since the first time we met.
As time moves on
we well never forget.
Remembering your friends . . .
the old and new.
The parties, proms, laughter
and sorrow too.
Because in just one day
it happens to all.
The day our excited screams
filled the sky
and our caps flew up high.
The day we parted
hoping for each other's
dreams to come true.
Feeling a little sad,
a little blue.
Even though there were tears
in our eyes
we still whispered our good
byes.

Somewhere between yesterday and tomorrow

Lies today

Yesterday holds our memories.

Tomorrow holds our future.

But, today holds our life and our love.

The sun rises and a new day dawns, leaving behind a trail of yesterdays,
with memories still frozen within them.

Waiting for the next tomorrow to come.
But it never does. It stays in the future holding our goals and directions.

Today we live to its fullest-
Recapturing yesterday
Awaiting tomorrow.

Larry, Thanks Mom and Dad. I finally made it. Many memories. Lee-ann with love, Guardian Angels, Crystal Fantasy, and a pleasant future.

When the white eagle of
the north is flying overhead
The browns, reds and golds
of autumn lie in the gutter,
dead,
Remember then, that
summer
birds with wings of fire flaying
Came to witness spring's new
hope, born of leaves
decaying.
Just as new life will come
from death, love will come
at leisure.
Love of love, love of life and
giving without measure
Gives in return a wondrous
Yearn of a promise almost
seen.
Live hand-in-hand and
together
We'll stand on the threshold
of a dream.

You do your thing;
I do mine.
I am not in this world to live up
To your expectations
And you are not in this world to
Live up to mine.
You are you
I am I.
And if by chance we find each other
It's beautiful.

and I'll climb the hill in my own way.
Even if it's not the only way; I'll climb
towards the peak till the sun shines in my eyes.

On the hilltop you'll hear me cry ... climbing
I'll scream that you should have tried ... climbing
You'll realize how well I used your time
And you'll climb to reach the only goal,
of seeing the sucess that freed your soul.

A FAREWELL

Flow down, cold rivulet, to the sea,
Thy tribute wave deliver;
No more by thee my steps shall be,
For ever and for ever.

Flow, softly flow, by lawn and lea,
A rivulet, then a river;
Nowhere by thee my steps shall be,
For ever and for ever.

But here will sigh thine alder-tree,
And here thine aspen shiver;
And here by thee will hum the bee,
For ever and for ever.

A thousand suns will stream on thee,
A thousand moons will quiver;
But not by thee my steps shall be,
For ever and for ever.

She walks in beauty, like the night
Of cloudless climes and starry skies;
And all that's best of dark and bright
Meet in her aspect and her eyes:
Thus mellowed to that tender light
Which heaven to gaudy day denies.

One shade the more, one ray the less,
Had half impaired the nameless grace
Which waves on every raves trees,
Or softly lightens o'er her face;
Where thoughts serenely sweet express
How pure, how dear, their dwelling-place.

And on that cheek, and o'er that brow,
So soft, so calm, yet eloquent,
The smiles that win, the tints that glow,
But tell of days in goodness spent,
A mind at peace with all below,
A heart whose love is innocent!

NOTHING GOLD CAN STAY
Nature's first green is gold,
Her hardest hue to hold.
Her early leaf's a flower;
But only so an hour.
Then leaf subsides to leaf.
So Eden sank to grief,
So dawn goes down to day.
Nothing gold can stay.

TOMORROW HAS BEGUN

Remember yesterday?
We were so young, so free,
We lived each day to the fullest,
And lived each day happily.

Here we are today,
Trying to find ourselves,
Using what we learned yesterday,
From all of those books on the shelves

Let us advance now to tomorrow,
Reflect on what we have done,
From all of this past experience,
Our new life has just begun.

OPERATIONAL STAFF

These pages are presented to express our appreciation for the dedication and commitment of a particular group of workers. These workers are known collectively as the Operational Staff. The Operational Staff includes the secretaries, special education assistants, cafeteria workers, security officials, and custodians. Since their commitment to maintaining the quality of our school environment is rarely acknowledged, we would like to use these few pages to thank them for their time and commitment.

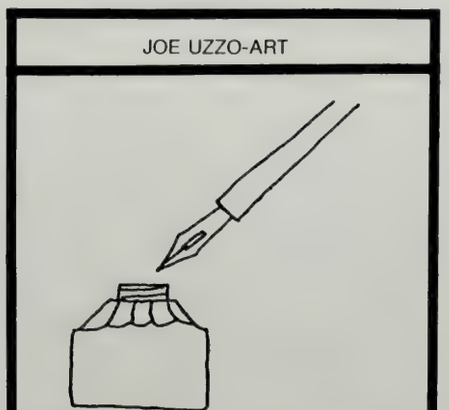
JOE UZZO-ART



Dear Seniors,

All the Editors and staff hope that you will enjoy the 1985 yearbook, *Brocktonia 1985.* We hope that it will be a constant reminder of your years at Brockton High. As the seasons change and the months go past, I hope you will look back at this yearbook and that it will bring back fond memories.

I'd like to thank everyone who worked on this yearbook, especially the section editors: Sue DeCain (candids), Kris Swanson (faculty), Laurie Nichols and Joe Hopkins (events), Elayne Epstein and Audrey Spiegelman (seniors), Mary Waygan and Jennifer Chaskes (activities), and Missy Shimkus (sports). I'd also like to thank Editors Eric Ashman (Business), Joe Uzzo (Art), Kathie Collyer (Photo) and Jo Calisto (Copy). I'd also like to give special thanks to our Advisor, Mrs. Maria LeFort, who was a great help to us this year.

Sincerely,
Doug Cornelius
Managing Editor

Save a lady in distress.

Many changes took place around the world as we were maturing at Brockton High School. The events that took place around us influenced each individual's beliefs, interests and opinions differently. These current issues also affected our conversations and feelings towards the world.

In our Senior year, we saw a historical Presidential Election, the first Clergyman to run for President and the first woman Vice-presidential candidate. We saw the success of organ transplants and test tube babies, the launch of the Spaceshuttle Columbia, the excitement of the Olympics and the assassination of Indira Ghandi. The Israeli's bombing of Beirut, Lebanon and the nuclear freeze topic were also in the headlines frequently.

As for entertainment, the last four years have been memorable. There were Box office hits like "Officer and A Gentleman", "Beverly Hills Cop", "Raiders of the Lost Ark", "Gremlins", "E.T.", "Ghostbusters", "Scarface", and the all so familiar "Risky Business". We enjoyed the sounds of Prince and the Revolution, Bruce Springsteen, Cyndi Lauper, David Bowie, The Culture Club, Van Halen, U2, Duran Duran, The Rolling Stones and Michael Jackson. Audiences were stimulated with spectacular concerts by Prince, U2, The Police and Hall and Oates.

With the coming of Cable Television there was also Music Television and Black Entertainment Televisions's "Video Soul". For rock and top 40 videos we turned to MTV, but for funk videos we turned into BET. VCR's became popular and there was the birth of the laser discs.

When it came to fads and fashion, the styles and colors changed drasitcally over the last four years. From metallic to neon our tastes in color changed quite a bit. Cropped pants, Guess jeans, pumps, rhinestone jewelry and lace accesories were worn by the girls. Calvin Klein, Guess and Cotler jeans were worn by the guys. They also wore cardigans, polos and narrow ties. Gels and mousses were used by both guys and girls to get their desired hair styles. There was definitely a wide range of fads and fashions for 1985.

As we flip through the calender of life, we can look back with great memories to the times we spent at B.H.S. During that time we were given many opportunities to grow and mature as a group and as individuals. As we turn the final pages, it is now time for each of us to apply what we have learned and formulate a new path to follow. When we entered B.H.S. may of us were overwhelmed by the feeling of being accepted. We began to conform our behavior and our way of thinking as we became more aware of our actions and reactions of our peers. Soon, we adapted to our new surroundings and the need to feel accepted decreased. However, our concerns toward individuality became stronger and we became more secure with ourselves and our abilities.

This newly found confidence has enabled us to develop our own principles which guided us through each passing season. Among these principles, we have learned to get along with others. Each of us lives by a certain set of standards and values. Despite personal differences, we learned to recognize and respect those with differing and oftentimes opposing views. Through our many experiences at Brockton High, we have also come to appreciate the necessity of striving to reach our goals regardless of the setbacks we may encounter.

Recapping the experiences of our four years at Brockton High, we feel both joy and sorrow. We have learned a great deal at B.H.S. and we must take our knowledge and apply it to our futures. The horizons are distant and soon we will be traveling our separate ways. There will be new territories and adventures for us to explore but we will always have the everlasting memories of Brockton High.

Goodbye and good luck, Class of 1985!!
